

Guernsey Registry

Charity Name: Friends of Anthony Thomas

Reference No: CH511

Contact Address: Corbeau
Courtil St Jacques
St Peter Port
Guernsey
GY1 1SX

Charity Purpose: To charitably fund Anthony McMahon's life changing reconstructive surgery with Dr. Dror Paley in West Palm Beach, Florida. Anthony McMahon was born with bi-lateral proximal femoral dysplasia. In 2008 Dr Paley reconstructed his right leg successfully. Since then he is still waiting his second half of surgery. The charity raises funds to ensure his second half of surgery is realised avoiding amputation of his left leg supported by a life time of prosthetics offered by HSSD.
