**Charity Purpose:** We are a non-profit making organisation working to provide a positive focus in the community for children and adults, through sport. Established in Guernsey since 1935, the Guernsey Amalgamated Boxing Club has provided a safe place for athletes to learn and progress in the sport of boxing. Boxing traditionally has been a poor man's sport and most of the participants and kids come from low income families. Over the years though our dedicated team of coaches we have helped children from different backgrounds grow in confidence, overcome behaviour/social problems, bereavement. Boxing isn't just a sport it's a life style which has factually been proven to guide kids in the right direction and enhance their discipline, confidence, athleticism and concentration. All the qualities needed to be successful in school/life and be positive citizen within the community.
