The Topics of domestic abuse and mental health are where Laurens heart laid, so the charity aims are closely linked to helping and supporting people affected in Guernsey. This being by educating these topics in schools, workplaces and events. Offering support groups where we will be a person to listen to people's problems and support them at appointments. Creating programmes for both victims and perpetrators of domestic abuse from young children to adults and also being a McKenzie friend for court appearances. All with help from our new therapy dog "Lala".
