Charity Purpose: Art for Guernsey is a charitable initiative managed by a team of passionate and entrepreneurial professionals who share a belief in the transformative power of art to bring communities together, provide educational opportunities and promote cultural diplomacy. With 44 exhibitions and projects involving 23 artists, the Art for Guernsey team is proud of the unique impact it has made on the cultural offering in the Island. As well as inviting an internationally renowned artist to visit Guernsey each year, Art for Guernsey has a strong remit to support local artists in various ways and to invest its resources to support innovative art and education-related local charitable projects. Art in School, our innovative art-lending programme, makes available artworks of museum quality to any Guernsey school willing to develop project-based learning opportunities and use the artworks in a multidisciplinary context. This programme has been incredibly successful to date 18 Guernsey schools have engaged with the initiative.
